## TIGERS TRIMMED AT DOTHAN FRIDAY

LOCALS UNABLE TO COPE WITH  
HOUSTON BOYS AND SUP-  
PER SEVERE DRUBBING  
ON DOTHAN FIELD

Dothan reports early in the week to the effect that many of Dothan's varsity men would be out of the game, the casualties managed to stagger on the field last Thursday and succeeded in holding the local score, while the Houstonian "scripples" went about garnering some thirty-two points.

Lack of defense against aerial attack seemed the major difficulty with Coach Jarrell's cohorts, coupled with intermittent spells of nervousness. According to the Dothan Eagle, the Elbians were neither passing, punting or tackling as they should. That would seem, should account for the one-sided score.

A goodly number of fans accompanied the team to Dothan Friday. The team goes to Florida tomorrow to tackle the strong high school eleven of that town.

## MISCELLANEOUS SHOWER—

Misses Estelle and Lona Dell Bryant were hostesses at a miscellaneous shower on Thursday afternoon commencing Miss Mary Alice Harper, a popular bride-elect.

The living and dining rooms were beautifully decorated with autumn flowers, carrying out a color motif of yellow and white. The flowers were arranged in attractive baskets, tied at the handles with tulle. In the room where the gifts were displayed the color scheme was pink and green. A profusion of pink roses intermingled with ferns was used.

As the guests called, they were greeted by Miss Lona Dell Bryant. Those receiving were: Miss Estelle Bryant, Miss Mary Alice Harper, Mrs. E. L. Harper, Mrs. Donald Hammond of Dothan, and Mrs. Jake Harper of Newport. R. I. Mrs. H. C. Johnson ushered the guests from the receiving line to the bride's look, where Miss Mary Ella Bozeman presided. A miniature bride and groom decorated the table where the gifts were registered. From here they were invited into the dining room by Mrs. Sam Rowe. Punch and sandwiches were served by Misses Pearl Harper, Mattie Kaut and Barbara Carleton. Next Mrs. R. G. Hutchinson ushered the guests into an adjoining room, where the many handsome gifts were on display.

Others who assisted in entertaining were: Mesdames Corrie Bryant, J. H. Armour, W. D. Pierson, and Miss Gladys Clark.

The honoree was strikingly beautiful on this occasion. Her dress was black satin trimmed with gold lace. She wore a bright metallic hat which was unusually becoming.

**BIRTHDAY DINNER GIVEN  
BY GLADYS WHITMAN**

A delightful affair was the birthday dinner given by Gladys Whitman on Wednesday, which was her seventh.

A pretty cake adorned with seven burning candles was the central decoration of the table. A delicious dinner was served. The guests were: Corrine Bonneau, Martha Frances Dowling, Lois Martin, Ida Ingham, Whitman, Virginia Wyndolke, Martha Han, Sara and Nell Young, Marjorie Brunson, Frances and Marjorie Conner and Annie Maud Grisset.

Dainty baskets of mints which were suggestions of hallowe'en were given to the little guests for favors.

Mr. and Mrs. Max Fortner and Miss Johnny Shealy visited in Dothan last Sunday.

**G. E. LINDSEY BREAKS  
ARM SATURDAY MORNING**

Mr. G. E. Lindsey had the misfortune to break his arm last Saturday morning, when he fell from a drag, making a trip to his home.

**LARGE RATTILER  
KILLED LAST WEEK**

Mr. J. C. Rowles, who is farming on the C. T. Maddox place, near Victor, reports the killing of a large rattlesnake close to the Maddox home last Thursday.

Mrs. Rowles was walking along on rather swampy ground when he noticed the snake. The reptile had nearly swallowed a large squirrel, the only part then visible being a hind leg, and when killed was making a desperate attempt to complete the job of engulfing the unfortunate animal.

The snake was 5 1/2 feet long and had seven rattles.

**FINDING OF NEGRO IN  
CREEK STILL MYSTERY**

Mystery still surrounds the finding of a negro's body in Whitewater Creek last Thursday, as local officials have been unable to ascertain of any persons missing in this county.

The body was found in Whitewater Creek about two miles north of Elba, and upon examination it was revealed that his neck had been broken. The man was attired in overalls, and was fully dressed except for the shoes and he had been in the water approximately ten days, physicians estimate his age to be 30 years.

Officials state that the body had undoubtedly been brought from a distance and thrown into the water, as a careful checkup revealed that all negro residents of the county can be accounted for.

The County buried the body last Friday.

## A CORRECTION

In an article last week telling of Sheriff Lightner returning from Akron, Ohio, with a prisoner, the Clipper made the statement that the prisoner had left Elba some time ago for parts unknown, which, we are informed, is incorrect, as the man in question was removed from here to Akron. We also stated that the man was in jail at Elba. We are informed that this is also an error, as he had been made and he is at the home of relatives.

## MT. PLEASANT HOME DEMONSTRATION CLUB

The Mt. Pleasant Home Demonstration Club for 1928, with Miss Hughes for president, held a meeting last week for the purpose of reorganizing the club. Miss Hughes outlined the work for the year in which we are to study home improvement, and being the big objective for the year. We are informed that this is also an error, as he had been made and he is at the home of relatives.

## TOLBERT SHOW HERE WEEK OF NOVEMBER 5

Among the many things the people of this community have to be proud of is the Mill Tolbert Tent Theatre Company, which opens its annual visit here on Monday, November 5. This show is said to be the largest outdoor theatre organization in the South.

With a large outdoor theatre with greatly augmented seating capacity, entirely new and novel stage settings, new seating arrangements and a new lobby front, this theatre presents an imposing appearance.

Departing from their usual custom of presenting the customary class of plays shown under canvas, the Tolbert Company this year have secured exclusive rights to some of the most sensational and yet popular plays that have ever been shown to the public of any but the larger Metropolitan theatres.

The opening attraction for Monday night is one of the strongest plays that has ever been shown on the American stage. It is a play of the life of a vivid portrayal of conditions found in every community. "The Country Boy," in an amusing comedy, reveals with a moral and stirring story beneath that marks it as a real revelation of humanly truths that strengthen one's character, and a real revelation of humanly truths that strengthen one's character, and a real revelation of humanly truths that strengthen one's character.

## DR. MAY DIED AT BRANTLEY MONDAY

PIONEER SETTLER OF ELBA PASSES AWAY AFTER MONTHS' SERIOUS ILLNESS. WAS PROMINENT M. D.

The death of Dr. S. W. May, of Brantley, which occurred Monday morning at 11 o'clock, cast a shadow over the entire community, and many houses of business were closed both the day of his death and Tuesday, when the funeral was held.

Dr. May had reached the age of 70 years, and had been in ill health for some time and seriously ill for about a month.

He was well known in this and other counties, having practiced medicine in several towns, and for many years had maintained his residence in Brantley. His parents were among the early settlers of Elba, and he was reared at this place.

Mrs. Carrie Ballard, of Elba, and a sister of the deceased, is the only remaining near relative.

Funeral services were held Tuesday afternoon at two o'clock at the Brantley cemetery, and a Masonic service was rendered, with Mr. George Tice as one of the officiating, conducting the obsequies.

This is the season of the year in which the housewife should be thinking of her Thanksgiving and Christmas fruit cakes. If cooked now and kept moist with fruit juices or apple placed with the cake in its container and kept in a cool place, they will be most delicious.

There are two methods to cook fruit cakes, baked and steamed. The steamed method is most desirable. The steamed cake is moist and soft, whereas the baked cake has a tendency to be crusty on the outside. However, the housewife who has a "rack" at controlling her oven temperature can bake successful fruit cakes.

The steamed method is to place the cake in a slow oven and steam for three-fourths of an hour, allowing room for cake expansion. Place top on tight and securely. Place in a large boiler of boiling water and cover with lid, cook one hour, then turn the food in a double boiler for 3 hours, remove cake from boiler and place in a slow oven one and one-half hours.

The recipe I am giving below was made for the housewife who grows and preserves the entire ingredients of the cake—it being a home-grown fruit cake.

## Alabamian Fruit Cake

1 pound butter or 2 cups packed solidly.

2 1/2 cups sugar or 1 1/2 cups cups.

9 eggs.

2 cups flour, level measurement.

2 tablespoons baking powder.

2 teaspoons salt (not essential).

2 teaspoons cinnamon.

1 teaspoon nutmeg.

2 1/2 cups of good preserves well drained.

2 1/2 cups watermelon preserves or citron or raisins.

1/2 cup fruit juice or any good alcoholic beverage.

2 cups raisins.

4 cups of any kind of nut, except pecan nuts.

Cream the butter, add sugar gradually, add eggs yolk well (till thick and lemon color) beaten—then well beaten egg whites. Sift all dry ingredients four times, insuring a thorough mixture—and add to the fruit and nuts and stir till well mixed. Combine the two mixtures using the liquid in your recipe as a means of obtaining the fruit cake batter texture.
